2. DTR said we have made no time with Bob Macy. Macy's attitude was critical, sarcastic, completely unfriendly, and he interjected himself in the briefing frequently. "Why are you training agents when the only successful source of information [REDACTED] and they don't need training?" He implied we don't need [REDACTED] DTR said OTR has lost its sharpness in briefing. The military uses qualified people, visual aids, (stages a show.) We must improve ours. DCI stated at DD/P meeting he is giving serious consideration to appealing to the President over the head of the Director of the Bureau of the Budget. He is ready to volunteer a ceiling cut of 1 per cent for 1959 and 1 per cent for 1960. There appears to be a possible softening on the part of the Bureau of the Budget so that agencies will not go around the BOB and ruin its effectiveness.

11. Generally good reports were made by members of the staff meeting with regard to the progress of the JOT Program. One sour note from Dr. [REDACTED] - stated that some of the JOT's resented the buddy system of reporting on each other. Both Mr. [REDACTED] and Mr. Baird were very much incensed at the privilege taken by A & E in requesting such a report. DTR said this should terminate immediately
